

Banking Made Easy

Introducing ATM Cash Deposits

We are pleased to announce that the cash deposit feature is now available for you across our NCBA ATMs.

You can now deposit funds onto your NCBA account using any of our carded or cardless cash deposit options following the simple steps below;

Carded Cash Deposits;

- At the ATM, insert your Card and enter your PIN
- Select the Cash deposit option and follow the prompts to enter the cash notes into the depository
- Verify the amount to be deposited and follow the remaining steps and complete your transaction

Cardless Cash deposits;

- On the ATM, select cardless option
- Select CASH DEPOSIT and enter your account number
- Confirm your account name and follow the remaining steps to complete your transactions.

Experience convenient and seamless banking today
